chromatherapy

THERAPY THROUGH COLORS

A whole new universe where chromatherapy holds a privileged space to eliminate everyday stress and create an inviting and relaxing environment.

The combination of colors offers you 7 basic colors and 21 blended colors to choose from and enjoy through our rainbow and pause cycles.

Red: Stimulates circulatory system; promotes vitality and energy.

Orange: Aids respiratory and nervous systems; combats fatigue; nurtures body and mind.

Yellow: Energizes; provides stimulation; fortifies and relaxes.

Green: Calms nervous system; fortifies and relaxes vision.

Aqua: Regenerates; calms sudden pain; relaxes intellect.

Blue: Promotes peace and tranquility; opens conscious mind.

Pink: Harmonizes emotions.

PUSH BUTTON CONTROL ALLOWS YOU TO STOP ON INDIVIDUAL COLOR OR RUN THROUGH FULL SPECTRUM OF COLORS
